JR: Yeah, yeah.

JR: Yeah, yeah.

BP: Right, so this is what's going on. Look . . . Right now, the dude is taking it to the shop, right? So that a friend of mine checks it out, right?

JR: Yeah.

BP: But wants me to give him 1,500 right now, right?

JR: Yeah.

BP: So that's where you come in. I . . . The thing is that the dude is giving me until Monday or Tuesday because he leaves Tuesday night, the son of a bitch is leaving for up North on Tuesday night, right? That dude - -

JR: [OV] Yeah.

BP: - - has already been in *New York*, you know?

JR: Yeah.

BP: And that's - that's where you come in, you know, right? I asked you a favor, you know? Very big and special, you know, right?

JR: Yeah.

BP: I know, I know that maybe you could . . . You know because things over there are not rose-colored, right man? Like other people - -

JR: [OV] Yeah.

BP: - - think so over here. Things over there cost too, right man?

JR: For sure.

BP: But, look . . . but, look, dog. If you do me the favor I'm going to be eternally grateful to you, dog. You understand?

JR: No, since I - - I - - I know that . . . I know what's going on. Look man, but you see, the money that I could help you with, well, it would be at least two, from two to three papers is what I could help you with. This - - this - - this was the plan I had to help you out, dude. I'm telling it to you straight, you know?

BP: Help me out with at least three papers. I will fucking look for the rest, dog, you know?

BP: [OV] But, when do you think - -

JR: [OV] - - that's right, once you already have that.

BP: [OV] - - you could do me the favor?

JR: Fuck, you see that the - - the dough, I had told you that not until the end of the month. The thing is that, right, I have to see what's going on. The thing is that I'm going to go over to see the clique, you know, right? Since you know that I'm the one running things. Well, I'm going to get that money from there, you know? I'm going to tell them I would reimburse it, you know?

BP: Uh-huh.

JR: They don't - - the homies don't ask me anything because, right? They know what's up with me, the way that I manage the dough, you know? The dough - - has always been there for them, you know?

BP: Look dog, sorry - -

JR: Yeah.

BP: - - for bothering you. The truth is that I - - need it, doggie. If you help me out, like I told you, you know? One day I'm going to be within reach . . . JR: [OV] Yeah.

BP: - - right? And right now, you know? A light went on in my head because this dude told me, "Fuck, I'm going up North." And, yeah, you know, right? So then, if you want - - want to listen, so that you see, I have him there at the shop waiting - -

And straight up right away. I don't like it, when I do a favor, I do it and right away, well, you know that well.

BP: Then, do me that favor, dog. I'm going to be very grateful, you know?

JR: Yeah. And . . . What, what time - - what time can you link up there, man? Or you don't have credit anymore?

BP: Right now I don't have any credit. Why? Because you wanted us to talk with someone or what?

JR: No, no. I was asking you, well, because that way you're not the one spending it. What - - what card are you using, man?

BP: I have Mobile-Star, dog.

JR: Mobile, alright then. Wait a bit then and I'm going to - - I'm going to - - what do you call it? I'm going to send you a refill to make it easy on you, then.

I will send them tomorrow, tomorrow in the morning. So tomorrow I will send them, you would be getting them in the afternoon tomorrow, you know, right away.

BP: Do the favor for me, dog. You have my word . . . the truth is that I know that you have your commitments and maybe I'm abusing your trust a little. But, it's the first time and will be the only time that . . . I mean, that I ask a favor that big from you, dog, you know? Right, - -

embarrassing, too but . . . I want it for something good, doggie, you know? I don't have any vices - -

JR: [OV] No, that's right, I know what's going on.

BP: [OV] - - not even of smoking or any shit, dog, you know? Right?

JR: Yeah.

BP: A shitload of sons of a bitch are jealous of me. They want to see me super beaten down, but me? Bullshit, dog. Even if I'm being punishment, I . . . I'm dressed in good clothes and all that shit, you know? And good ass too, I could give a shit but I don't see it that way, right? Pride keeps me holding my head up high, dog. You should see how many sons of a bitch envy me, homie, you know?

JR: No man, you have to - - have to . . . You know, that, that's what wrong . . . that, fuck, the people are - - are envious of you, that right? Instead of being on the same page as you, you know?

[pause]

[voices in the background]

JR: No man, I also know - -

BP: [OV] Do me the favor then and . . .

JR: [OV] No man, I will . . . I will figure it out right now, you know? I know that you guys are broke, you know? Here, with the things of your clique, right? And as I told Payaso, you know? The homie told me, "If there's a problem, at some time and I can't, dude, right?" Right, "I know I trust your word and you're not going to lose me." Well, for sure then. I - - with the dude, the dude knows what's going on. I will go to the end with that dude, you know? The homie knows what's - - well, what's up with me, you know?

BP: No man, that dude is a good person, dog, a pretty nice person is that son of a bitch, you know, right?

JR: Yes. No man, with him, you can forget it, with that son of a bitch, he'll get on it right away, right away, you know? The thing is, you see, man. I don't know about these homies, how they made bad decisions, you know? But since they're internal problems, fuck, but I thought that you already - - already had given all of these homies the "Okay" you know? So they could make those decisions, homie.

BP: No man, dog. You see, homie, you know that they - -

JR: [OV] Because, you see - - as a matter of fact Crimen, Crimen told me - - When we were there, Crimen, for sure, Crimen told them what was going on. Told these homies the truth. Because, just imagine, about - - about the last kid, that these dudes, because of - - of - - of that one, the house has now gotten heat. That last kid that they hit, Crimen told them, you know, "Fuck, that doesn't happen in El Salvador. They first hit the chick and then the dude," you know? That right? "Who had given the, okay," And . . . Fuck. We - - there we thought that, fuck, you already knew about all of those decisions. No shit.

BP: No man, dog. You see that they didn't say anything to me about that, homie. Not even . . . I didn't know anything. They only told me that they were doing a job, about - - about someone that had been disrespectful but they didn't tell me. I asked them, "What kind of a job?" "We can't explain it to you but, yeah, you know? We're set." "Right," I told them, "That's good." Right? But, but, you know that . . . You know that if you hit a dude from La Mara then you have to hit that fucking chick too, homie, you know? But since there, this, you know? The truth is that I don't know if they counted on Payaso or with whom, right? But they didn't count on me, homie. I . . . Like I'm telling you, right now I'm a little upset. That's the truth, well I'm upset with *Little Poison*, with this son of a bitch, the - - the - - Greñas, you know, right? And with that son of a bitch, *Little Tren* [PH], you know, right? Since they were the ones at the front, you know, right? But not with the other kids, dog.

JR: Yes, because there . . . Because it even surprised me. I knew . . . I . . . I knew that Payaso . . . Payaso wouldn't make decisions like that. I told myself, "Fuck, this dude *Poison*. What's going on with him? He couldn't tell the homies how the rules are." I said, "What's going on," you know? But fuck, then after when [UI] - -

BP: [OV] Fuck - -

JR: - - it was all done, you know? And how the fuck can a person come and - - and want to help them, you know?

BP: Even here, you know what's goes on, here things are really fucked up. Here, when a *homeboy* fucks your girlfriend - - another *homeboy's* girlfriend. He dies, dog.

JR: Oh, he dies, man?

BP: Yeah, yes, dog. Those are the laws of the 'hood, here in El Salvador. Here, even before they were like that, with guys that slept with girlfriends, right man? But not anymore - -

BP: - - dog, now the 'hood takes that seriously, homie. Here, here man - - you disrespect the girlfriend of a *homeboy* and you die, homie, you know? Right? [UI]

JR: [OV] You see that - - these homies - -

BP: [OV] you screw a homie's girlfriend and you die.

JR: [OV] - - these homies, these homies. That shit with La - - his - - his - - that chick - - that chick Lagrimas, fuck, that turned out cool, right man? Nothing came back at them, right? Because they talked it over really good. Fuck, with Payaso with all of you guys. But this one other decision these homies made turned out bad, you know?

BP: Yes, I know, that they went for it. I mean that they - - uh - - I mean, it's this, look, dog . . . There are people that because somebody tells him, right? "You have the reins," Then they get on a head trip, - -

JR: [OV] Yeah.

BP: - - you understand me? They get on a head trip and they think that "Yeah" they have . . . They're on the trip of their lives, then. But in reality they don't even get to anywhere, the sons of a bitch, well, you know, right?

JR: Yeah.

BP: Well, right? It's fucked up then, right? So then . . . Look dog, I'm telling you, *man*, right? The truth is that I'm upset, dog. You see, it was hard for me to get the clique to give me some dough, homie, to send it to them. They said, "Fuck," he told me, right? "The truth is that they were doing good, so what happened, then, have they been ratted on. The kids are all fucked." I told him, right? But, yeah, you know? From my heart I hope that they rise up again. I'm asking you, you know? The same thing that my *homeboy* Payaso asked of you. Well, that - - that you act as the second, dog. That you organize and if you see that something is wrong, let me know. Or - - or - -

JR: [OV] Yeah, no . . . That's why - -

BP: [OV] - - or tell them "No, wait [UI] good if you wait."

JR: [OV] - - I . . . I . . . Look man, as far as I . . . I . . . at this point, as far as I'm concerned all of these homies had let you know about that shit with Lagrimas, with the - - the shit of this other kid, that - - that they - -

BP: [OV] No [UI] - -

JR: [OV] - - that.

BP: The first thing, "Yes" the second "No."

JR: Oh, they really did let you know about the first thing. You talked to them really good then?

BP: [OV] Yes.

JR: [OV] Alright.

BP: Yes, but "Yes" with the first thing but "No" with the second, *man*. But there . . . Like I'm telling you, it's fucked up, right man. The truth . . . I . . . No, no . . . Don't know what's going on, man, right? I'm just telling you that if you see them doing something wrong, then to correct them for me. Because those kids don't have the capacity yet to be the runners, dog, you understand me?

JR: Yes, dude. No man, had I known. I'm telling you that I would have called you right away, right away I would have called. Since I didn't - - I didn't know that, that the - - you were giving them - - you were not - - that you didn't know about everything. Fuck, I would have told you, right away then. I thought, fuck, that these homies had you completely informed, well, you know?

BP: No man, dog, and since I . . . You know that there are times that . . . Look, right now I have it so easy, right?

JR: [OV] Yeah.

BP: Right now what the clique wants me to do is to focus on the sector up there. That's why they're allowing me the nights so I can call. And the 'hood is helping me out . . . Well, that if they hear rumors they are not going to say anything. Because - -

JR: [OV] Yeah.

BP: - - they know that I also have worked. Look, I connected the people from Spain so that the 'hood would reorganize them and start up over there. But since they fucked me up. Listen good, the 'hood saw money. What they did is to push me

aside, what happened? They crashed, all of the people over there crashed, dog. And when I was running them, I ran them good, homie. They were people from different cliques. That didn't matter to me, dog. But [UI], right? They crashed, they lost about 10,000 bucks, you know? Then, a shitload of Euros that they got from them, homie. Drugs too and all that stuff, you know, right? Because the 'hood thought, they said, "Well, let's sow and here, we're going to do this fast. We can do it here, right?" But what happened, homie? They didn't allow me to run things the way I ran them. I ran people calmly, smoothly, right? [UI] - -

BP: It's fucked, *man*, right?

JR: You see, look at all these homies - -

BP: [OV] [UI]

JR: - - you see, you have the example here in *VA*. Look, man. See . . . your clique was very, but very cool here, homie. Fuck, yeah, when Payaso was here and I - - I remember that Payaso would link you up and you guys even chilled while on the phone. Do you remember?

BP: Yeah, yeah.
